Mr. Rahul
Recruitment Consulting
MINDSHIRE CONSULTING
Hyderabad, Telangana, INDIA
rahul@mindshire.pro

Dear sir,

With two years of experience in full-stack web development, I am confident I will be an excellent fit Mindshire's search for Front-end Developer. My experience has provided me with the innovative and technical skills necessary to successfully provide your company with complex technical solutions across a wide range of application platforms.

During my previous role at Tuitonic.com, I was charged with developing responsive and dynamic website of student-teacher booking platforms. Currently, I am developing a blogging website for UCI Foundation and monitoring a project of NSS, Tezpur University. In 2018, I designed a To-Do list and an academic database project to store the information of football players.

Your listed requirements closely match with my background and skills. A few of them I would like to highlight that would enable me to contribute to your bottom line are:

- Good skilled in designing, testing, and developing web applications
- Experience in working with cross-functional team with front-end and back-end development using HTML5, CSS3, React, Bootstrap, JavaScript, ES6 and NodeJS(ExpressJS) respectively plus start-up experience.
- Thorough understanding of data structures and mathematics to deal with numerical data.
- Excellent reasoning ability and good interpersonal and communication skills

I have attached a copy of my resume that details of my projects and experience in software development. I can be reached anytime via my cell phone, **960-865-0941** or via email at **rakesh.tu16@gmail.com**.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.
